2-1/2x3/4 PVC Hot Tap Saddle EPDM Znc

RGHT2288

Details

Hot Tap Saddles allow connection to existing pipelines under pressure. Specially designed tapping saddle allows pipe branch connection to pressurized "Hot" lines without system shut-down. Available in PVC White, Gray or CPVC Gray configurations. Industrial grade bolt-on saddle with EPDM or FKM O-ring seals and choice of zinc-plated steel or Type 316 stainless steel hardware. Built-in brass or stainless steel cutter easily cuts hole in PVC, CPVC, HDPE and PP Pipe. Special design captures and retains coupon from hole. Pressure rated to 235 psi @ 73F. Available to fit IPS Pipe 2" through 8" with versatile 3/4" socket - 1" spigot combination branch outlet or 1"-1/2" Socket - 2" spigot combination branch outlet.
