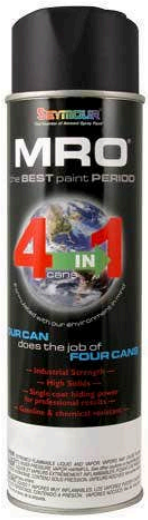
MRO Paint - Flat Black

RP620-1433



Details

Independent testing proves that MRO paint protects metal best against weather, rust, oil, gasoline, corrosive chemicals and rough service. Does not contain lead, CFCs, chromates or chlorinated solvents and meets the most stringent air quality requirements in the USA. High solids formulation delivers excellent gloss and color retention with single-coat hiding power.

Please note: This product is restricted from air freight, and will only be shipped ground freight.
