Details

The 765 CFM EGO Power+ Blower includes a G3 3.5Ah battery and 320W Charger plus a flat nozzle and cone nozzle. The EGO 765CFM is the world's most powerful handheld blower with air speeds up to 200 MPH. The speed-control dial allows adjustment of 260CFM to 580CFM for ultimate control. Activate Turbo mode to power through heavy debris such as wet leaves, rocks, mud and snow. The variable speed trigger introduces a redesigned cruise control dial for consistent blowing. This incredible blower has an average run time of 90 minutes when used with the EGO G3 5ARC Lithium battery. The high-efficiency brushless motor delivers longer run time, low vibration and an extended motor life. Turbine fan engineering by aeronautics technology, performs better than premium gas-powered models. The included tapered and spread nozzles make clearing debris in all conditions easy. This quiet, lightweight compact blower gets the job done faster and quieter than gas! Please note: This product is restricted from air freight, and will be shipped ground freight.
