

EGO 16in Powerload w/ Line IQ String Trimmer - Bare Tool

REGST1620T

Details

The EGO POWER+ 16 in Powerload String Trimmer with Line IQ technology features auto-sensing technology that monitors and feeds the length of the line for a continuous 16 in cutting swath delivering non-stop high-performance trimming. No bump needed! Powerload technology automatically winds your trimmer line. Replacing your string line is as easy as feeding the line into the head and pressing a button! A carbon fiber shaft makes it the strongest string trimmer on the market. With its telescopic design, you can quickly adjust the shaft length for your height for ease of use and comfort. This revolutionary trimmer is also built with digital variable speed, a high-efficiency brushless motor, and .095in professional cutting line. Experience Power Beyond Belief without the noise, fuss, or fumes. 16in width. Bare Tool. Please note: This products is restricted from air freight and will only be shipped grund freight.
