

EGO Power+ Top Handle Chain Saw Battery Holster

REGABH3000

Details

The EGO Top-Handle Chainsaw battery holster provides the power to withstand the all-day challenges of professional use while providing optimal balance while you work. The lightweight battery holster rests on your hip alleviating the battery weight from the tool. It includes an innovative safety tether with integrated power cable that powers the Top-Handle Saw. Compatible with all EGO 56V ARC Lithium batteries to offer endless runtime possibilities delivering Power Beyond Belief. The battery holster is designed with the arborist in mind, equipped with metal hooks and double-mounting tethers to firmly secure the saw and battery holster to climbing harnesses ensuring the utmost safety. EGO parts are designed specifically for your EGO POWER+ products and offer the highest quality, performance, and value. Please note: This product is restricted from air freight and will only be shipped ground freight.
