

EGO Synthetic Glove - Large

REGGV001L

Details

The EGO work gloves are designed to protect your hands and reduce vibration. Made with durable synthetic leather and mesh-net polyester fabric, the gloves feature a reinforced palm, knuckle strap and thumb pad for extra protection. Constructed with a Velcro-type wrist band for tight fit, and lined with a light green strip to provide high-visibility, these gloves help tackle any project with ease. Gloves run small.

- Protect you hands while working in the yard or around the house
- Spandex for resilience
- Polyester fabric for ventilation
- Synthetic material for durability
- Size - Large
