

EGO 16in Chain Saw - Bare Tool Only

REGCS1610

Details

The EGO POWER+ 16in Chainsaw delivers the power of gas without the noise, fuss, and fumes. This saw's advanced, high-efficiency brushless motor delivers the equivalent power of a 40CC gas chainsaw that lasts up to 130 cuts on a 4x4 (when used with the EGO 2.5Ah 56V ARC Lithium battery). The tool-less chain tensioning system allows for fast and easy bar and chain adjustments through independent dials, which are low profile in design and allow for cutting flush to the ground. The 20m/s chain speed allows for clean, efficient cutting and the automatic oiling system keeps the saw lubricated throughout the cutting application. For added control and safety, the saw is equipped with robust metal bucking spikes and kickback break with an easy to see brake position indicator. Experience Power Beyond Belief without the noise, fuss, or fumes. Please note: This product is restricted from air freight and will only be shipped ground freight.

- 16in Bar & Chain
- 40CC Gas Equivalent
- Up to 130 cuts on a 4x4 with 2.5Ah ARC Lithium battery
- 20 M/S Chain Speed
- High-Efficiency Brushless Motor
- Metal Bucking Spikes
- Tool Free Bar and Chain Adjustments
- Low Kickback Chain Design with Brake Indicator
- Automatic Oiling
- Spill Free Oil Reservoir
- Weather-Resistant Construction
