

Milwaukee M18 Fuel Blower (Tool Only)

RMW2724-20

Details

The M18 FUEL Blower has the power to clear from 15 ft, gets to full throttle in under 1 second, and is up to 4 lbs lighter than competitors. Designed to meet landscape maintenance professional needs, the POWERSTATE Brushless Motor and REDLITHIUM HIGH OUTPUT XC8.0 Battery (sold separately) deliver 450 CFM and 120 MPH output. The blower features a variable speed trigger and high/low speed settings for increased control. The high setting is for the most demanding applications and low is optimized for clearing debris from flower beds without moving mulch. The lock on button allows the blower to be locked on to full throttle, so the operating hand can be relaxed reducing fatigue. The M18 FUEL Blower is fully compatible with 200+ solutions on the M18 system.

- REDLINK PLUS Intelligence: Provides optimized performance and overload protection using total system communication between tool, battery and charger
- POWERSTATE Brushless Motor: Delivers more power under load and longer motor life
- M18 REDLITHIUM HIGH OUTPUT XC8.0 Battery Pack: Provides 50% more power and runs 50% cooler vs. M18 REDLITHIUM XC Battery Packs
- Power to Clear From 15'
- Up to 4 lbs. Lighter
- Maximum Air Volume: 450 CFM
- Lock On Button: Yes
- Full Throttle In Under 1 Second
- Maximum Air Speed: 120 MPH
- High/Low Speed Settings
