

Milwaukee Replacement Sprayer Nozzles

RMW49-16-2728

Details

Replacement Sprayer nozzles for Milwaukee SWITCH TANK Sprayers (2820-21PS, 2820-20PS, 49-16-28PS, 2820-21CS, 49-16-28CS). The pack includes a low flow rate adjustable nozzle, a high flow rate adjustable nozzle and a fan nozzle. Adjustable nozzles allow for a range of spray patterns from cone shaped to a straight stream to a mist spray. The fan nozzle delivers a wide flat spray pattern.

- Replacement part for Milwaukee sprayers
- High flow adjustable, low flow adjustable and fan nozzles
- Adjustable nozzles are brass and fan nozzle is plastic
- Low flow rate adjustable nozzle has small diameter outlet to allow for more control in targeted applications
- Compatible with Milwaukee SWITCH TANK sprayers (2820-21PS, 2820-20PS, 49-16-28PS, 2820-21CS, 49-16-28CS)
