Details

The M18 FUEL QUIK-LOK Articulating Hedge Trimmer Attachment is powered by the M18 FUEL Power Head w/ QUIK-LOK and is compatible with our M18 FUEL QUIK-LOK Attachment System. The attachment's articulating mechanism allows for 270 degree rotation of the blade set, which gives you 13 operating positions and 1 storage position. The hedge trimmer attachment boasts a 20" blade with 1" cut capacity allowing you to clear more material in a single pass. The hedge trimmer attachment includes a tip guard to prevent damage to the blade and surrounding work area, as well as a padded grip for optimal hand placement and increased comfort. The QUIK-LOK Attachments feature protected drive shafts for increased durability against drops and storage elements. The hedge trimmer attachment also features optimized gearing to manage the cordless M18 FUEL Power Head RPM output specifically for hedge trimming applications.
