

Milwaukee Switch Tank 4-GALLON Sprayer Tank Assembly

RMW49-16-28PS

Details

The SWITCH TANK 4-Gallon Sprayer Tank Assembly is an interchangeable tank powered by the M18 SWITCH TANK Powered Base (not included). The sprayer tank assembly includes the pump, hose, and wand. The design allows you to add on tank assemblies for different applications, eliminating cross-chemical contamination. It also provides the ability to replace the tank assembly at a lower cost of ownership compared to replacing an entire sprayer. The 4-Gallon Sprayer Tank Assembly features a dual diaphragm pump for longer pump life and Viton seals for increased durability against harsh chemicals. The sprayer tank also has a wide mouth opening for easier pouring and a strainer that filters debris from getting into the tank.

- Add-on and Interchange Tank Assembly to Eliminate Cross-Chemical Contamination
- Instant, Constant and Adjustable Pressure for Ultimate Control
- Wide Mouth Opening and Strainer: For Easier, Debris Free Pouring
- Powered by M18 SWITCH TANK Powered Base
- Strainer to Filter Debris
- Up to 120 PSI & 25' Spray Distance
- Dual Diaphragm Pump: For Longer Pump Life
- Interchangeable Tanks, No Manual Pumping
- Replaceable Tank Assembly Delivers Lower Cost of Ownership
- Transport Handle for Convenient Transport and Storage
- Viton Seals for increased durability against chemicals
