

Milwaukee M12 Plastic Pipe Shear Kit

RMW2470-21

Details

The M12 Plastic Pipe Shear Kit with the powerful M12 12-Volt Lithium-Ion battery included can slice through 2 inch schedule 80 PVC in just 3 seconds. The pipe shear and pvc cutter is compatible with M12 lithium-ion batteries, giving you more than 200 cuts on a single charge. The stainless steel blade and aluminum jaw are impact and water and rust resistant. The ultra- sharp M12 plastic pipe shear with pierce point makes burr-free cuts, allowing you to cut faster, cleaner and closer than traditional shears. PVC close to a wall or mounted to a stud is no challenge for the quick-return, offset blade for maximum efficiency on repetitive cuts. The MILWAUKEE plastic pipe shear features a variable speed trigger for controlled cuts in warm and cold weather and an on-board fuel gauge that displays remaining battery charge and run time provide you with superior versatility and productivity. In addition to the pipe shear, this kit includes one M12 REDLITHIUM CP1.5 battery pack, an M12 Lithium-Ion battery charger, and a carrying case. Please note: This product is restricted from air freight, and will only be shipped ground freight.
