

Milwaukee M12 - 1 Gallon Handheld Sprayer Kit

RMW2528-21G1

Details

The M12 One Gallon Handheld Sprayer delivers the best pressure control and no manual pumping. Designed to meet the needs of professional landscape maintenance and pest control, the battery-powered handheld sprayer provides you with instant, constant and adjustable pressure up to 80 PSI and a 17 ft vertical spray distance. The 3-mode pressure adjustment knob adjusts the pressure between 20 - 80 PSI, giving you the capability to complete a wide range of applications. Our M12 REDLITHIUM CP2.0 Battery provides you with up to 80 gallons of spraying per charge. The M12 Handheld Sprayer Powered Head is compatible with both the 1 Gallon and 2 Gallon Handheld Sprayer Tank, providing the ability to rightsize the tank for the application and premix multiple tanks to increase productivity. The handheld sprayer can be used both one and two-handed for added versatility. The sprayer features an onboard measuring cup for quick measurement, a strainer that filters debris from entering the tank, and vertical and horizontal wand storage. The MILWAUKEE M12 Handheld Sprayer is part of the M12 System which is fully compatible with over 125 solutions.
