

EGO Power+ 56V Power Head - Bare Tool Only

REGPH1420

Details

The EGO POWER+ Power Head is the core of your POWER+ Multi-Head System and works with the full assortment of Multi-Head System Attachments. It's high-efficiency brushless motor delivers long runtimes, low vibrations, and an extended tool life. The Power Head features an extremely durable carbon fiber shaft backed by a lifetime warranty. Its digital two-speed selector and indicator allows you to toggle between high and low speeds while the variable speed trigger delivers ultimate control. The EGO POWER+ Power Head is compatible with all EGO 56V ARC Lithium batteries (available separately) to deliver Power Beyond Belief.

- Use all POWER+ Multi-Head System attachments to make quick work of any yard project
- High-efficiency brushless motor delivers long run times, low vibrations, and extended tool life
