

Milwaukee Pen Light - 100 Lumen

RMW2105

Details

The Milwaukee Penlight delivers 100 lumens of output for Brighter, Clearer, Easier Inspections. The innovative protective rubber bite zone at the end of the light allows you to safely direct light while performing two-handed tasks. The Milwaukee LED pen light is IP67 rated, making it waterproof, dustproof, and sealed to withstand the toughest job site conditions. The penlight's lens and 6000 series aircraft aluminum body are impact and corrosion resistant. The penlight's metal clip easily attaches to your chest or pant pockets for quick access and everyday use. TRUEVIEW High Definition output illuminates more of your work area with brighter natural light optimized for high color accuracy. The Milwaukee Penlight is covered by a limited lifetime warranty.

Please note: This product is restricted from air freight, and will only be shipped ground freight.
