

Milwaukee Hook & Pick Set - 8PC

RMW48-22-9218

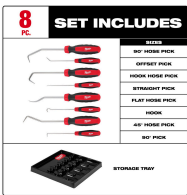

Details

Milwaukee hooks and picks feature an all-metal core for up to 50% more durability. This set includes 4 hose picks set and 4 mini picks. Each hose pick has a specific angle for different applications while the reinforced tip resists bending when loosening stubborn hoses. The flat pick provides puncture protection and reduces damage to hoses. Milwaukee comfort grip handles give you increased tool control and comfort. The mini picks feature a knurling for additional tool control during precision work. This set includes a durable long-term storage tray for easy access and organization. These chrome-plated picks provide superior rust protection. All MILWAUKEE Mechanics Hand Tools are backed by a lifetime guarantee.
