Details

The Milwaukee 11 Piece SAE Combination Wrench Set delivers maximum torque and ultimate user comfort. Max Bite Open-End Grip improves the wrench's grip on nuts and bolts, and the geometry reduces rounding and stripping. Max Bite offers 25% More Torque than competitive wrench designs. The Comfortable I-Beam Handle Design allows superior user comfort, even while applying high torque. Milwaukee combo wrenches feature Ink-Filled Size Labels for easy size identification and the quick distinction between SAE and metric sets. The 11 piece wrench set comes in a storage tray designed for Long-Term Storage, keeping your tool chest organized. Standing behind their products, Milwaukee offers a Lifetime Guarantee on all Combination Wrench Sets.
