

Milwaukee Ratchet Combination Mechanic Wrench Set - Metric - 15PC

RMW48-22-9516

Details

The Milwaukee Ratcheting Combination Wrenches feature 2.5° of arc swing, allowing users to work quickly and efficiently in tight spaces. Milwaukee mechanic's wrenches feature durable double-stacked pawls in the ratcheting mechanism to offer the longest ratchet life and improved access with 144 ratcheting positions. MAX BITE Open-End Grip improves the ratchet wrench's grip on nuts and bolts, offering 25% more torque than smooth-faced wrenches. Each combination wrench features a comfortable I-Beam handle design for improved ergonomics. The Milwaukee ratcheting combination wrench set features ink-filled size labels for easy size identification, as well as quick distinction between SAE and metric sets. The 15 piece metric ratcheting combination wrench set comes in a tray designed for steel storage drawers, allowing for efficient storage with no wasted space. Milwaukee stands behind their products, offering a Lifetime Guarantee on all of their combination ratchet wrench sets.
