

Milwaukee M18 Fuel Sawzall Recip Saw

RMW2821-20

Details

M18 FUEL SAWZALL Recip Saw is the next generation of legendary performance and durability, designed for the toughest applications on the job site. The MILWAUKEE M18 FUEL SAWZALL is the fastest cutting reciprocating saw in its class and leverages a POWERSTATE Brushless Motor to provide you with 3,000 SPM and a 1-1/4" stroke length for faster material removal. REDLINK PLUS electronics ensure maximum performance under stress as well as protection from overloading, overheating, and over-discharging. The M18 REDLITHIUM XC5.0 Battery Pack (not included) delivers you up to 2.5X runtime and provides more work per charge and more work over the life of the pack than competitive batteries. The M18 FUEL SAWZALL Recip Saw is designed to perform in the most demanding applications and is our most durable cordless reciprocating saw yet. A wear-resistant blade change, anti-corrosion blade clamp, and metal reinforced battery rails provide longer component life and stand up to the toughest jobsite conditions. The M18 FUEL SAWZALL Recip Saw is lighter weight than the previous generation and features an adjustable shoe, integrated LED light, and a hanging hook for convenient storage on the job.

- 1-1/4" Stroke length removes more material with each stroke
- Adjustable shoe extends the life of the blade
- Built-In LED light illuminates the work surface while cutting
- Compatible with all M18 batteries and M18 chargers
- Hang hook: allows for convenient storage on the job
- Lever Action QUIK-LOK Blade Clamp provides fast and easy blade changes
- POWERSTATE Brushless Motor: Increased cutting speed and power through the

toughest applications

- REDLINK Plus Intelligence: The most advanced system of cordless power tool electronics; provides optimized performance and overload protection using total system communication between tool, battery and charger
- Wear resistant lever actuated QUIK-LOK blade clamp provides fast and easy blade changes
- Anti-Corrosion Blade Clamp delivers prolonged blade clamp durability with less downtime due to corrosion
- Metal Reinforced Battery Connection provides improved durability and battery retention over life

Specifications

Manufacturer	Milwaukee
Battery System	M18
