

Elvex Go-Specs Safety Glasses - Grey

R7063G

Details

The best fitting, most comfortable eyewear you have ever worn. Lightweight like safety glasses and fit like goggles. Soft foam fills the gap between your face and the lens to keep out wind, dust, sand or airborne debris and to resist body oil and sweat. Multiple ventilation ports allow for air circulation, superior anti-fog performance and wearer comfort. SuperCoat AF provides anti-fog, anti-scratch, anti-static and UV protection. Adjustable lens angle. Impact-resistant. Black frame with orange accent.

- Best fitting safety glasses ever
- Lightweight
- Soft foam seals to face
- Ventilation ports for air circulation
- SuperCoat Anti-Fog protection
