

World Class Green Turf Colorant - 5 gal

RAF2088

Details

Save water and your precious budget dollars! With a little effort, you'll enjoy natural-looking grass in no time. World Class premium turf dye is easily sprayed on existing dormant, damaged or discolored grass for an instant green landscape. Add to divot mix for a refreshed look. Highly concentrated with a dilution ratio of 7:1 to 15:1. Stays green for 10-14 weeks or until mowed. Environmentally friendly and safe on grass plants.

Please note: This product is restricted from air freight, and will only be shipped ground freight.

- Instant green landscape!
