

Reelcraft Hose Reel - 3/4 x 50 ft

RC83050OLP

Details

Series 80000 and D80000 spring retractable reels incorporate the most current design and manufacturing techniques to guarantee long life and trouble-free performance. All-steel construction and a baked-on powder coat finish combine to produce a rugged corrosion-resistant product suitable for a wide variety of heavy duty applications. These reels are also supplied with Reelcraft's new ball-bearing style swivel. Hose included.
