

Corona Maxforged High Performance Orchard Loppers - 36in

RCAL8482

Details

Lightweight, high-strength, elliptical aluminum handles and unmatched blade design dramatically reduce the force to cut. Resharpenable, replaceable Dual Arc bypass blade is fully heat-treated, forged steel; 2-1/4in diameter cutting capacity. Forged, slant-ground hook with self-cleaning deep sap groove. Large diameter bumper reduces elbow fatigue. Nut retaining clip helps keep the nut from backing off. 36in handles. 2-1/4in cut.

- Blade design reduces force to cut
