

Corona Landscape / Irrigation Bypass Pruner - 1in RCBP3670

Details

The landscape-irrigation pruner acts as a 3-in-1 tool, complete with pruner, wire cutter and a special hook blade with built-in sprinkler adjuster designed at the tip to fit common irrigation equipment nozzles. Maximum-strength forged steel. Resharpenable and replaceable bypass blade. Ergonomic angled head, contoured handles for added comfort. Non-slip, cushioned grips. 1" cutting capacity.

- MAXForged ErgoACTION bypass pruner
- Resharpenable, forged steel blade for long service life
- Forged high-carbon steel forms a stronger, more durable cutting tool
- Sprinkler adjustment feature included on tip of hook
- Ergonomic angled pruning head for added comfort and reduced hand stress
- Contoured handles with comfortable, non-slip grips
