

Clean Deck Lawnmower Undercoating

RCD1000

Details

To eliminate dirt and grass from sticking to the lawnmower deck and reduce corrosion and rust, apply Clean Deck graphite to the underside of the deck, blade and chute. After mowing, simply wash off with water hose. Designed to provide easy clean-up and extend the life of the mower deck with a durable and easily maintainable smooth finish for heavy duty use. Excellent for snow blowers, garden tools and augers. Aerosol 12 oz.

Please note: This product is restricted from air freight, and will only be shipped ground freight.
