

Coxreels Performance Hose Reel

RCPLP350

Details

Performance spring-drive hose reels have a long history of dependability and trouble-free performance. Sturdy, compact, space saving design with Coxreels' high quality steel construction and durable CPCTM powder-coat finish. Features heavy-duty spun discs with rolled edges for greater strength & safety. Unique design includes an external fluid path with brass NPT swivel that screws into 1" solid steel axle and is easily removed for swivel maintenance. The lubricated factory-matched spring motor is also easily removed for safe, convenient replacement, enabling extremely long reel life!
