

Coxreels Heavy Duty Hose Reel

RCSHN450

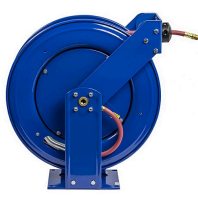

Details

High-quality steel construction with powder-coated finish. Features heavy-duty ribbed discs with rolled edges for greater strength & safety with the added stability of the Super Hub dual axle support to accommodate longer lengths of hose. External fluid path with brass NPT swivel that screws into 1" solid steel axle, easily removed for swivel maintenance. The lubricated spring motor is also easily removed for safe, convenient replacement, extending reel life indefinitely.
