

Cutting Unit Rack - Greensmower R1050

Details

Protect your Greensmower cutting units and conserve floor space in your maintenance facility with this convenient R&R racking system. Welded A-frame design provides solid, rigid construction. Adjustable steel arms bolt in place to accommodate up to 9 Greensmower cutting units. Two additional solid metal shelves in the center of the rack are designed for bedknives, rollers or miscellaneous storage. It's made of heavy duty tubular steel for a lifetime of service. Optional easy roll wheels allow racks to be stored close together or pulled to desired area. Powder-coated finish. Easy to assemble. 67" H x 56" L x 18" W.

Please note: Due to excessive air freight charges, this item will be shipped ground freight.
