Echo BRD-2620 Bed Redefiner 59in 25.4CC Straight Shaft

RECBRD2620

Details

The X Series ECHO pro-grade BRD-2620 bed redefiner is redefining standards for professionals who demand top performance when reshaping flowerbeds. It offers a professional-grade 6-finger carbide-tip cutting claw for improved durability. Tool-less air filter cover protects the intake system from dirt and debris. All ECHO bed redefiner engines are certified with the highest EPA engine durability rating. Redefine bed edges and keep cart paths in shape. The BRD-2620 X-Series Bed Redefiner offers 17% more power than previous models, 20% more torque, 25% increase in cutter performance, cutting through branches quicker, 22% longer run time with a larger fuel tank plus lighter weight. Features 3/8" flexible drive cable for drive shaft protection, slide-access chain tensioner, see-through oil tank and ergonomic loop handle with rubber over-mold for comfort.

Please note: This product is considered either bulky or otherwise restricted from shipment by air, and will only be shipped ground freight.
