

Echo CS 2511T CHAINSAW 14 in. 25CC Top Handle RECCS2511T-14

Details

This extremely lightweight 5 lb top-handle chain saw easily maneuvers through tree branches and tight spaces making the job easier while dramatically reducing operator fatigue. The fine grid starter cover reduces ingestion of woodchips and fibers and prevents over-heating of the saw. Features choke with automatic fast idle making it easy to start in the tree, side access chain tensioner, dual post chain brake, G-force engine air pre-cleaner. Tool-less fuel and oil caps. 2-piece design for easy cleaning. 25 cc 5.2 lb Top handle.

Please note: This product is considered either bulky or otherwise restricted from shipment by air, and will only be shipped ground freight.

- Lightest gas-powered chainsaw in America
- Powerful, professional-grade 2 stroke engine
