

Echo CS-361P Chainsaw 16in 35.8CC

Rear Handle

RECCS361P-16

Details

A compact, how powered chain saw made for professional arborists, as well as, homeowners who prefer a rear handle design. The 35.8cc professional grade, 2-stroke engine is ideal for large tree limbing and sectioning. Features include a vibration-reduction system to reduce fatigue, reduced effort starter in hot or cold weather, side-access chain tensioner for easier chain adjustment, top-mounted, tool-less access air filter, G-Force engine air pre-cleaner and premium 91PXL chain. Lightweight 8.4 lbs. 16in.

Please note: This product is considered either bulky or otherwise restricted from shipment by air, and will only be shipped ground freight.
