

Echo CS-500P Chainsaw 20in 50.2CC

Rear Handle

RECCS500P

Details

The CS-500P Chain Saw delivers outstanding cutting ability with the Performance Cutting System bar and chain. Features include the lightest 50 cc gas powered engine in North America with a spring-assist starter system for effortless starts, a heavy-duty, easy-access air filter, a dual post chain brake system and an automatic clutch-driven oiler that reduces oil consumption. The aluminum handle with rubber over-mold and an anti-vibration system provides reduced operator fatigue. 20" in. Bar. 50.2 cc. 10.6 lbs. 1 year warranty.

- 50 cc professional-grade engine
- Performance Cutting System upgraded bar and chain
- G-Force engine air pre-cleaner for less maintenance
- Heavy-duty air filter and tool-less filter cover
- Dual post chain brake system
- Automatic clutch-driven oiler
- Aluminum handle with rubber overmold
- Anti-vibration system for reduced operator fatigue
