

Echo ES-250 Shred "N" Vac 165MPH 391CFM RECES250

Details

The Echo ES-250 is actually 3 tools in 1. Now you can easily convert from blower to shredder/mulcher to vacuum, without changing tools, making it ideal for residential landscape work. The Shred "N" Vac features a 25.4cc 2-stroke engine providing 391 cfm 165 mph air volume. The 4-blade shredding mechanism reduces leaf volume by 12:1 ratio. The curved blower tube provides rotational control to reduce fatigue. A 2-bushel collection bag with rear zipper and the vacuum kit are included to convert to blower. 25.4cc 391 cfm, 172 mph. 12.6 lbs.

Please note: This product is considered either bulky or otherwise restricted from shipment by air, and will only be shipped ground freight.
