

Echo PB-255LN Low Noise Handheld Blower

RECPB255LN

Details

The 25.4cc professional grade, 2-stroke engine delivers outstanding 354 CFM and 191 mph performance. The 64 dB(A) low noise rating is ideal for noise sensitive environments. Features grouped controls and "cruise" for easy operation, ergonomic 3-position rubber top handle with parallel handles for directional operation. Posi-loc pipe gives secure operation while flared-end provides maximum direction and air flow. 25.4cc, 354 CFM, 191 mph, Wt. 10.2 lbs.

Please note: This product is considered either bulky or otherwise restricted from shipment by air, and will only be shipped ground freight.

- Low noise handheld blower
- Commercial grade gas engine
- High velocity 354 CFM and 191 MPH air transfer
- Rubber top handle grip with parallel handles for all position operation
- Flared end pipe for moving wet or heavy debris
- Posi-loc pipes for a secure connection
- Easy start system
