

Echo PB-8010H Backpack Blower 79.9CC

Hip Mount

RECPB8010H

Details

This powerful beast is for the series professional with 211 MPH and 1071 cfm from a 79.9cc 2-stroke engine with a lightweight innovative carbon fiber frame. The 3.6 in diameter blower tube provides maximum air flow. An oversized pleated paper main filter and foam prefilter allow for use in high-dust areas, along with tool-less latches for easy in-field maintenance. The 83.8 oz fuel tank provide for long run times, vented back pad with padded backrest / shoulder straps for comfort. Fan intake circulates air and cools user's back. 79.9cc 1071 cfm, 211 MPH. 24.8 lb.

Please note: This product is considered either bulky or otherwise restricted from shipment by air, and will only be shipped ground freight.
