

# Echo PE-2620 Edger - 25.4CC 2 Stroke Curved Shaft RECPE2620

## Details

The X-Series ECHO PE-2620 gas edger helps create that perfect, crisp edge for a manicured look between your lawn and sidewalk. The captive wheel mount featured on this lawn edger allows for easy height adjustability and the durable aluminum debris shield has an open face for reduced clogging. Pro Torque gear case boost torque for powering through thick grass and dirt. All ECHO grass edger engines are certified with the highest EPA engine durability rating. Designed for low weight and high horsepower, this 25.4cc 2-stroke edger uses a flex cable drive and curved shaft design for better sight lines and more ergonomic tool positioning. Captive wheel mount hardware enables easy wheel height adjustments. Two-stage air filtration system dramatically increases cleaning capability. The 2:1 gear case powers through tough, over grown grass. Large 21fl.oz. fuel tank. Easy start. Please note: This product is considered either bulky or otherwise restricted from shipment by air, and will only be shipped ground freight.

- Professional-grade two stroke engine
- Two-stage air filtration system for easier cleaning and less maintenance
- Tool-less access for convenient in-field servicing
- Easy start
- Large fuel tank for extended run time between fill-ups
- Contoured, aluminum debris shield with cut-away, open face
- Easy height-adjustment wheel with captive hardware
- 2:1 gear reduction to power through tough grass
