

Echo PE-225 Edger - 21.2CC Curved Shaft

RECPE225

Details

The professional-grade ECHO PE-225 gas edger gives a crisp edge between the sidewalk and lawn. This lawn edger is designed to deliver superior power and durability in a lightweight and easy to maneuver tool. Gives that perfect manicured look to any property, whether small or commercial. All ECHO grass edger engines are certified with the highest EPA engine durability rating. The 21.2 cc professional-grade, 2-stroke engine provides outstanding performance. Features include i-30 starting system, comfortable throttle control with lock-out and heavy duty, and height adjustable guide wheel with solid rubber tread. Durable, clog-resistant shield keeps material from piling up and slowing down the blade.

Please note: Due to excessive air freight charges, this item will be shipped ground freight.
