

# Echo PE-2620S Edger 25.4CC Straight Shaft

## RECPE2620S

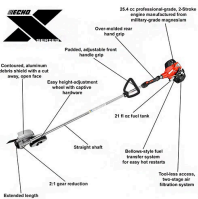

### Details

High horsepower and high torque with a straight shaft. This powerful 25.4cc engine combined with high gear ratio, powers through dense grass and soil to quickly produce professionally finished edges. Loaded with commercial features including a pleated air filter with prefilter that provides 4 times the typical surface area to keep the engine clean. The strong metal debris shield with contoured design on edger reduces clogging. Wheel height is easily adjusted with captive hardware to match conditions. Durable magnesium fan housing reduces weight and operator fatigue and cushioned handles improve comfort. 25.4cc Straight shaft. Please note: Due to excessive air freight charges, this item will be shipped ground freight.
