

Echo PPT-2620H Power Pruner 12 in 25.4CC with in-Line Handle Hip Mount RECPPT2620H

Details

The PPT-2620H is ECHO's most powerful telescoping pole chainsaw. The professional grade 25.4 cc has improved power, torque and cutting performance over previous gas pole saw models. The redesigned engine mounts, drive shafts and couplers provide reduced vibration levels for user comfort while operating this extendable chainsaw. Also features an in-line handle with a rubber over-mold.

Please note: This product is considered either bulky or otherwise restricted from shipment by air, and will only be shipped ground freight.
