

EGO Adaptor For BAX1501 & BH1001

REGADB1000

Details

Use with EGO backpack battery BAX1501 or backpack link BH1000 to carry the weight of the battery on your back not on the tool. Not only does this add more run time to your EGO POWER+ handheld tools, but also get the bigger jobs done faster.

- Suitable for use with the EGO Power+ handheld tools
- Add more run time to your power and handheld tools
- Compatible with Commercial Series backpack battery
