

# EGO 15in Auto-Wind String Trimmer with Folding Carbon Fiber Shaft - Bare Tool Only

REGST1520S

## Details

The world's first String Trimmer with POWERLOAD Technology. This patent pending technology solves for one of the biggest pain points of string trimmers, POWERLOAD technology automatically winds your trimmer. Replacing your string line is as easy as feeding the line into the head and pressing a button! The EGO POWER+ 15" POWERLOAD String Trimmer has a Carbon Fiber shaft that is stronger than any other string trimmer shaft on the market today. The shaft is equipped with a lifetime warranty so the strength and durability is guaranteed to last forever! This revolutionary trimmer is also built with a high-efficiency brushless motor, bump feed line advance, .095" professional cutting line, and is compatible with all EGO ARC Lithium batteries to maximize the convenience of cordless and deliver Power Beyond Belief. Bare tool only Please note: This product is restricted from air freight, and will only be shipped ground freight. Please note: This product is restricted from air freight, and will only be shipped ground freight.
