

EGO 15in Auto-Wind String Trimmer with Folding Carbon Fiber Shaft Includes 2.5AH Battery & 210w Charger

REGST1521S

Details

The world's first String Trimmer with POWERLOAD Technology. This patent pending technology solves for one of the biggest pain points of string trimmers - replacing the trimmer line.. Now with EGO POWERLOAD technology, replacing your string line is as easy as feeding the line into the head and pressing a button! The EGO POWER+ 15" POWERLOAD String Trimmer has a Carbon Fiber shaft that is stronger than any other string trimmer shaft on the market today. The shaft is equipped with a lifetime warranty so the strength and durability is guaranteed to last forever! This revolutionary trimmer is also built with a high-efficiency brushless motor, bump feed line advance, .095" professional cutting line, and is compatible with all EGO ARC Lithium batteries to maximize the convenience of cordless and deliver Power Beyond Belief. Please note: This product is restricted from air freight, and will only be shipped ground freight. Please note: This product is restricted from air freight, and will only be shipped ground freight.
