

# EGO Commercial 15in String Trimmer with Loop Handle & Carbon Fiber Shaft - Bare Tool Only

REGSTX3800

### Details

The STX3800 POWER+Commercial string trimmer features a loop handle with carbon fiber shaft, that unlike alloy shafts, won't bend and lose it's shape overtime, while keeping vibration levels to a minimum. Perfectly balanced for comfortable all day use to make short work on even the roughest ground. When paired with the commercial backpack battery (BAX1501) (sold separately) will run all day comfortably, without gas or fumes. Please Note: This product is restricted from air freight and will only be shipped ground freight.
