

Trenching Shovel - 6in

RG21226

Details

It's the right trenching hand tool for irrigation trenching, made of heavy-duty 14-gauge steel that's heat treated and tempered. This 6-inch trenching shovel prevents mud buildup. Unique full forward turned step and user-friendly neck design. Full-contact socket resists collapsing; handle breakage. Weld joining neck to head outperforms open-back designs. Fine grained northern ash handles.

- Heavy-duty, 14-gauge heat-treated and tempered steel
- Fine-grain northern ash handle
- 6" x 11" head
- Prevents mud build-up
- Full forward turned step
- Full-contact socket
