

## **Insulated Faucet Cover**

## Details

Protect your outdoor faucets from sub-zero weather and prevent costly damage with a 3M Thinsulate "sock" with Velcro strap. Easy to install, simply slip over any standard faucet and secure with the attached strap. The Faucet Cover stays flush against the building while holding tightly to faucet with total coverage regardless of wind or snow. Use year after year. Measures 6" W x 7" L.
