

Cement - PVC 32 oz All Weath

RG31133

Details

PVC Primer is formulated from a mixture of solvents and is designed to remove dirt, oils and other contaminants from the surface of PVC and CPVC piping. Clear primer will not stain most surfaces. Includes in-lid applicator. Use to pre-soften PVC and CPVC pipe. PVC Cement is specially formulated to bond PVC pipe and fittings. The solvent cement works by softening pipe and fitting surfaces to create a strong bond. Includes a dauber stem for easy application. Use for potable water, pressure and drain, waste and vent piping. Can be used with Sch. 40 and Sch. 80 pipe.

Please note: This product is restricted from air freight, and will only be shipped ground freight.
