

# E-Z 1 PVC Cement Regular Body Clear - 1/2 Pint RGEZ20202

## Details

E-Z Weld's E-Z 1 is a regular bodied, fast-set PVC Solvent Cement. This cement is recommended for irrigation application for both the irrigation professional and the do-it-yourselfers. It is formulated to give maximum performance at an economical cost. It is also recommended for use on thin walled small diameter pipe. When used correctly, this product will make consistently leak proof join.

Please note: This product is restricted from air freight, and will only be shipped ground freight.
