

Primer Clear - Pint

RGEZ21103

Details

E-Z Weld Clear Primer is a special blend of Solvents formulated to soften and swell PVC and CPVC Pipes and Fittings. Primer penetrates the surface of the pipe and the fitting to be joined therefore; the use of primer will provide a stronger joint. It is highly recommended that primer should be used on the installation of larger than 3" diameter.

Please note: This product is restricted from air freight, and will only be shipped ground freight.

Specifications

Manufacturer	E-Z Weld
Manufacturer's	21103
