

Underhill UltraMax Blue 3/4in x 20ft Shortypro Quick Cool/Quick Wash Water Hose

RGH75-S20

Details

A rugged constructed hose ideal for quick green spraying, tee spraying or for equipment wash down. Abrasion resistant with smooth flexible outer finish and polyeseter fiber inner core to make it one tough hose. Machined brass couplings. The flexible TPE smooth finish is gentle on greens. 3/4in diameter with 20ft length. 300 psi working pressure, 1200 burst pressure.

- 1200 burst pressure, 300 psi working pressure
- Rugged construction made for day-to-day use
- Ideal for quick green and tee syringing or equipment wash-down
- Eliminates extra weight of long hose while getting the job done
- Abrasion resistant smooth flexible out finish
- Polyester inner core for a tough construction
- Machined brass couplings
- 3/4in Diameter with 20ft length
