

Retract-A-Light Pro-Series LED Light Fixture

RGRL-9L

Details

An elegant yet simple bollard design, the fixture is completely sealed to protect it from moisture and debris. Triggered by the timer, air raises the light from the fixture and the LED is illuminated, shedding light approximately 8' in diameter. 1/4" tee connector included with each fixture. Fixture dimensions: 2-1/2" dia x 11" tall. Elevates 5-1/2".
